The Chair reports to the meeting about the verifications and conclusions made by the Bureau during and after the fulfillment of the registration formalities by the participants, in view of the composition of the meeting:

I. The convocation to this General Meeting has been published as follows:

- ✓ by means of an announcement published in:
 - the Belgian Official Journal on 26 March 2024;
 - De Standaard Online on 26 March 2024;
- ✓ by means of media that may reasonably be relied upon for the effective dissemination of information to the public throughout the European Economic Area and that is accessible fast and on a non-discriminatory basis, i.e. by publication on the website of the Company as well as via a message to all persons subscribed to the “X-FAB’s investor news”;
- ✓ by means of a publication of the convening notice on the platform (i.e. STORI) of the competent authority, being the FSMA;
- ✓ by means of notifications sent on 26 March 2024 by e-mail to the Directors and the Statutory Auditor of the Company.

II. The convocation mentioned sub I, as well as all other information mentioned in article 7:129 of the Belgian Companies and Associations Code, has been made available for the shareholders on the website of the Company www.xfab.com without interruption as of 26 March 2024 until today. This information will remain available on the website for a period of five (5) years as of today.

III. The Company hasn’t received any notices from shareholders holding alone or together at least 10% of the share capital of the Company who wished to make use of their right to have items added to the agenda or to file resolution proposals in relation to items already on or to be added to the agenda. Consequently the agenda as included in the convocation mentioned sub I remained unchanged.

IV. The Bureau has concluded and informs the Meeting:

- ✓ that all shareholders mentioned on the attendance list have timely complied with the provisions of article 7:134 of the Belgian Companies and Associations Code and the Articles of Association in order to be admitted to the Meeting;
- ✓ that all proxies that have been presented comply with the provisions of article 7:143 of the Belgian Companies and Associations Code and have been timely received by the Company. None of the proxy holders appointed in the proxies has a capacity as mentioned in article 7:143 of the Belgian Companies and Associations Code that could cause a potential conflict of interest between an appointed proxy holder and the shareholder that he represents, except for Mr. DE WINTER and Ms. MORGANTI Alba, aforementioned, who declare to have a position in the Company respectively as directors and manager with leading responsibility, as mentioned before after their name, and who declare having received specific voting instructions for each and every item on the agenda;
- ✓ that the Company requested the shareholders to participate in the Meeting by means of an electronic communication tool made available by the Company and allows to vote at distance prior to the Meeting by letter by means of a form made available by the Company. As explained in the convening notice of meeting, the Company does not provide for the

possibility of voting by electronic means at the meeting itself. The electronic means of communication does, however, enable shareholders to take direct, simultaneous and uninterrupted notice of the proceedings at the meeting, to participate in the deliberations and to exercise the right to ask questions.

The accuracy of these facts is examined by the Meeting and acknowledged as being correct. Therefore all shareholders mentioned on the attendance list, including all proxy holders appointed in the submitted proxies, are admitted to the Meeting to participate in the deliberation and voting over the items on the agenda of the Meeting.

Subsequently the Meeting approves the attendance list as determined by the Bureau in its entirety as well as all attached private proxies that have been presented to the Bureau, and also approves the proxy holders appointed in these proxies. To the extent necessary each and every potential nullity in the proxies submitted to the Bureau, in form or for any other reason, is explicitly waived. These approvals are provided with unanimity.

From the attendance list it appears that 26 shareholders voted by mail, are present or represented with a total of 100,188,388 shares.

V. The share capital of the Company amounts to six hundred fifty-seven million, four hundred fifty-six thousand, eight hundred fifty euro and sixty-eight cents (€ 657,456,850.68), represented by one hundred thirty million seven hundred eighty-one thousand six hundred sixty-nine (130,781,669) shares without nominal value mentioned.

VI. All the shares of the Company are voting shares and each share is entitled to one (1) vote, except one hundred forty-nine thousand seven hundred forty-eight (149,748) shares that have been acquired by "X-FAB Semiconductor Foundries GmbH", a private company under German law, registered at the districts court of Jena with the number (HRB) 111661, with registered office at D-99097 Erfurt, Haarbergstrasse 67, which is a direct controlled subsidiary of the Company, and which shares to date are still held in possession by its directly controlled subsidiary, and because of which their voting rights are currently suspended.

VII. No bonds, warrants or certificates have been issued.

VIII. The Chair gives the floor to Mr. Rudi De Winter, representative of SENSINNOVAT BV, managing director, who explains the general policy of the Company and the group in a global context and draws attention to a few key points of the annual report of the Board of Directors on the financial year 2023.

IX. As of the publication of the convening notice until April 19th, 2024, the company received some written questions. The managing director responds to these questions. Subsequently, the Chair invites the participants to raise any questions related to any of the agenda items. The directors process these questions.

X. Before proceeding to the agenda, the external auditor of the company explained its audit activities and report for the fiscal year ended December 31st, 2023.
