### Directions to X-FAB USA, Lubbock

### Description

#### From Airport

X-FAB is approximately 6 miles from the airport; in general, X-FAB USA is at the intersection of North Loop 289 and University Avenue.

- leave the airport going south, at the first stop sign (Regis St.), turn right (west)
- continue for about 1 mile to the next stop sign (I-27), go under I-27 to the next stop sign and turn left (south)
- take the next on-ramp to your left to merge onto I-27 and continue south on I-27 for approximately 1 mile, take the 289 Loop West exit (exit 6B) and merge onto 289 Loop West
- travelling on Loop 289 for slightly more than 1 mile, take University Avenue exit to the right
- X-FAB USA is the large building in front of you. Go through the red light and stay on the frontage road. Turn right at the first available turn into the X-FAB USA property. As soon as you enter the property, make another right and will be in the X-FAB parking lot.
