The Company hasn’t received any notices from shareholders holding alone or together at least 10% of the share capital of the Company who wished to make use of their right to have items added to the agenda or to file resolution proposals in relation to items already on or to be added to the agenda. Consequently the agenda as included in the convocation mentioned sub I remained unchanged.

Subsequently the Meeting approves the attendance list as determined by the Bureau in its entirety as well as all attached private proxies that have been presented to the Bureau, and also approves the proxy holders appointed in these proxies. To the extent necessary each and every potential nullity in the proxies submitted to the Bureau, in form or for any other reason, is explicitly waived. These approvals are provided with unanimity.
